Dear Parents/Caregivers

Graphics Calculator information for Mathematics students at Sacred Heart College in 2026

This correspondence concerns the graphics calculator needs for students studying Mathematics at Sacred Heart College Marcellin Campus in 2026 and beyond.

At Sacred Heart College, we have incorporated graphics calculators into the Mathematics curriculum in accordance with the SACE guidelines. All students studying Mathematics are asked to purchase a **CASIO Graphc FX1AU GC graphics calculator**.

The only exception will be those students studying support Mathematics.

Earlier models (CASIO fx-CG50 AU colour GC graphics calculator, CASIO fx-9860G-AU PLUS and CASIO fx 9850 G AU) are still acceptable if you have one.

I would advise that you only purchase one of the CASIO models mentioned above, otherwise it can be difficult to provide the appropriate support for your son or daughter in the use of the graphics calculator.

Purchasing a Graphics Calculator

Should you wish to purchase your Graphics Calculator directly from [Campion Education](#), attached is an order form including purchasing instructions.

Orders can be placed online and calculators will be distributed at the start of Term 1, 2025, if ordered by Friday, 23 January 2026.

Order forms must not be returned to the College and should be completed directly with Campion Education.

Students will be notified once their order is ready for collection from the Maths Office at Sacred Heart College Marcellin Campus.

Should you have any questions, please do not hesitate to contact the College on 08 8350 2500.

Yours sincerely

Rebecca Jasper
